

Protect-n-Go Sunscreen Lotion SPF 30* (UV-US-18-35513-29) and 50* (UV-US-18-35513-54)

Protect-n-Go Sunscreen is an emollient, non-greasy broad-spectrum (UVA/UVB) sunscreen that applies and dries quickly on the skin. This formulation features Z-COTE® Simple zinc oxide dispersion which has low whitening properties and is virtually transparent on all skin types. It can be used for the beach or daily wear products.
