

## BIOCHEMICA® BIOVERA 10X ALOE

---

**INCI Name:** Aloe Barbadensis Leaf Juice

**Product Code:** BV10

**CAS #:** 94349-62-9

**Brand:** BioVera™

Biochemica® BioVera 10X Aloe is a decolorized liquid concentrate produced from 100% pure gel of the aloe vera (*Aloe barbadensis* Miller) plant which has been organically grown. The resulting product is a 10 X concentrate of the liquid gel which may be reconstituted with deionized water in a ratio of 1:9 (concentrate to water) to obtain a single-strength (1 X) aloe vera liquid (stable with the addition of preservatives). Biochemica® BioVera 10X Aloe is a cosmetic grade purified and decolorized liquid concentrate from organically grown inner fillet of aloe vera. The aloe is hand filleted and processed within a day of harvest. It is best incorporated after the hydration of any other polymeric materials and after the batch (if hot processed) has been cooled to 45°C or below. Keep Biochemica® BioVera 10X Aloe tightly sealed, preferably in a cool (70°F or below) dry place, out of direct sunlight. As a natural product, it should be used as soon as possible and inventories routinely rotated to assure freshness.

### Features & Benefits:

---

- Anti-inflammatory Agent
- Feel Modification/Enhancement
- Hair Conditioning Agent
- Moisturizing Agent
- Natural Product
- Plant Derived / Vegetal Based
- Skin Hydration Agent

---

Appearance	Viscous Clear to Light Yellow Gel
Pathogens (CFU/g)	Negative
pH	3.5 - 5.0
Solids (%)	4.6 minimum
Specific Gravity	1.0221 - 1.0339

Total Aerobic Plate Count (CFU/g)	< 10 cfu/g
Total Mold & Yeast (CFU/g)	< 10 cfu/g
<b>Insoluble In</b>	Cosmetic Esters Vegetable Oil
<b>Soluble In</b>	Water
<b>Packaging</b>	Pail - 43lbs

---

## Regional Approvals:

---

- Australia
  - Canada
  - EU
  - US
- 

## Applications:

---

- After Sun Skin Care
- Bar Soaps
- Cleansing Wipes
- Facial Cleansers
- Facial Skin Care
- Foot Care
- Hair Conditioners
- Hand & Body Care
- Liquid Handsoaps
- Mouthwash
- Shampoos
- Shaving Products
- Shower Gels/Body Washes
